Sir,

With reference to your letter of the 1st April last File No. 17328, in relation to the ten acres comprised in the N. W. ¼ of Legal Subdivision 5 of Section 33, Township 55, Range 11, east of the Fourth Meridian, formerly set apart for a church and cemetery site for the Russian Greek Catholic Orthodox Church, I beg to inform you that it has been decided that the said ten acres may be included in the sale to Mr. Vasyl Chrapko of the fractional S. Frac. S.W.¼ 33--55--11, W. 4th M., lying north of the river.
Contains 82.3 acres, less 10 acres cemetery site.
Shown on the sketch (married) coloured green.

The sale of the parcel above referred to was authorized in error last to Mr. Yasyl Chrapko at the rate of $5.00 an acre.

Mr. Forestoad inspector Crop recently reported that ten acres set apart for cemetery purposes for the Greek Orthodox Church was not being used for the said purposes and that all the bodies had been moved to the north east corner of the S. W. ¼ of the same section, of which quarter section six acres had been granted to the Church by the homesteader. Patent for this quarter section was issued to Mr. Chrapko (file 247601 herewith).

In your letter of the 11th ultimo you enquired of Reverend A. Anthoniuff if it was the intention of the Church authorities to use the said ten acres for church and cemetery purposes, this letter being returned here that the Deaf [illegible] office marked "This person in Russia now."

I think that, under the circumstances, the said ten acres might be included in the sale to Mr. Chrapko.

Referring to yours of April 29th. the plan upon which the transfer is based is the final construction plan filed under the Land Titles Act here. We may state that our Land Titles Act requires much more information on the plans than does the Railway Act of the Dominion of Canada, and the Registrars will not accept transfers based on a Railway Act plan. Accordingly, this plan has been filed to comply with the Land Titles Act. Please advise if it would be sufficient to forward a certified copy of this plan.

Dear Sir:- Re. S. W. ¼ 12--38--W. 4th M

Referring to your letter of the 14th, there appears to be a misunderstanding about these plans. The C. N. W. Ry. is a railway incorporated by the Province of Alberta, and a plan of the portion of the line including the above quarter made for registration purposes, pursuant to the Land Titles Act of Alberta and showing the final location of the railway, was some months ago approved by the Minister of Railways of Alberta, and a certified copy thereof so approved was forwarded to your Department. This plan, is not strictly speaking the "as constructed" plan as required under the Provincial Railway Act, the provisions of the Provincial Act being similiar to the provisions of the Dominion Act with which you are familiar, but the plan corresponds in all respects with the "as constructed" plan, which latter plan will be filed upon the entire line being constructed, and the plan already filed has the necessary information upon it to enable you the

Dear Sir:- Re C.P. 12-28-1 W. 4th M.-

Referring to your communication of the 14th June. in this matter, the plan upon which the transfer forwarded you is based, is one filed under the Land Titles Act of the Province of Alberta. An amendment was made to our Land Titles Act, requiring more information to be shown on the plans than is required by the Dominion Railway Act before transfers would be accepted for registration. As the owners of the land were pressing for settlement, a plan according to the Land Titles Act was filed and transfers taken thereon. Please advise if a copy of this plan, certified by the Registrar of Land Titles was forwarded to you, if you would be willing to issue title to the right of way according to the plan.

Dear Sir:-

Swift Current North Westerly Branch - S.W. 1/4

I wrote you as follows on the 12th ulto., but not having received a reply I assume that the letter has not reached you.

Will you kindly give the matter your attention.

"I am in receipt of your letter of the 21st ulto., advising that patent will issue without reservation of right of way, if the final plan of the right of way, as shown on location plan your No. 18655, be not received within thirty days from the date of your letter.

I beg to request that the issue of patent be withheld for a short time, in order that our Company may have an opportunity to obtain the approval of the Canadian Northern Rly. Co., a portion of whose right of way is required for our line, but if the issue of patent cannot be so withheld I beg to apply for reservation of the right of way required for both Railways, as shown in red and blue on the attached tracing of plan, signed by J. L. Doupe, D.L.S. The following description may be used in the patent to except the right of way required:-

"All that portion of the said quarter section containing eleven and nine one-hundredths (11.09) acres more or less which lies between a line drawn across the said quarter section from a point in the Northerly limit thereof distant one hundred and ninety-five and seven tenths (195.7) feet from the North West corner thereof on a course which makes on its

Easterly side an angle of forty-two (42) degrees and six (6) minutes with the Northerly limit of the said quarter section and a second line drawn across the said quarter section through a point in the Northerly limit thereof distant four hundred and forty-three and four tenths (443.4) feet from the North West corner thereof on a course which makes on its Easterly side an angle of forty-two (42) degrees and forty-one (41) minutes with the Northerly limit of the said quarter section.

I am advised that the C.N.Ry. have apparently filed their right of way plan, obtained an agreement from the homesteader, paid the consideration and filed a Caveat on the whole quarter section.

Kindly advise if you will agree to hold up issue of patent for a short time, and thus enable the Company to continue negotiations with the C.N.R."

Dear Sir:-

Swift Current North Westerly Branch - S.W. 12-36-12 West 4th. Your Reference 1361250.

. . . . . .

I infer from your letter of the 6th, that the issue of patent to the Homesteader is being withheld.

The C.N.R. obtained a quit claim from the Homesteader of the right of way which it requires, but as the location is now slightly different, though the area required is a trifle less, a new quit claim had to be obtained and this, I understand, will be forwarded to the Department by the Canadian Northern Railway Company as soon as they receive it.

I trust that you will notify me before issuing patent to the Homesteader, so that our Company may have an opportunity to present its claims to have the proper reservations of right of way made in the patent.

Sir,

With reference to your letter of the 1st ultimo, respecting your purchased homestead, the South-west quarter of section 12, Township 38, Range 12, West of the 4th Meridian, I beg to advise you that the Canadian Pacific Railway Company is entitled to a free grant of the actual right of way across your land, having applied for such right of way prior to the date on which you obtained entry. The Canadian Northern Railway Company is not entitled to a free grant of the right of way, and in April 1913 filed a transfer with this Department covering their right of way across your land.

The matter of issuing your patent is, however, at a standstill, as the Department is awaiting a final plan of the right of way of both Railways in order that they may both be reserved in your patent. Both Companies have been given thirty days within which to file the required plan, and if such plan be not received here within that time, the issue of your patent will then be proceeded with, and the right of way of both Companies will not be reserved therefrom.

Your obedient servant,

Thomas C. Gorrell, Esq.,

Gentlemen, Re S.E. 1/4 12-Tp.38-R.12-W.4th. C.N.R.

I beg to refer you to the departmental letter of the 7th December last, in connection with the right of way of the Canadian Northern Railway across the above quarter section, and also to your reply thereto of the 22nd idem, your file 4-11466.

Up to the present, the Department has not received a communication from Messrs. Clark & Jackson respecting the above matter, and, as the homesteader's patent has been held up for several months, it is expedient that a special effort be made by the Canadian Northern Railway Company and the Canadian Pacific Railway Company to have the matter closed out, and the proper plan of the Railways filed here with as little delay as possible.

The issue of Mr. Correll's patent will be delayed for a further period of thirty days from this date, pending the receipt of the required plan. If such plan be not received here within that time, the patent for the homestead will then be issued without any reservation for the right of way.

Gentlemen,

I beg to acknowledge the receipt of your letter of the 13th instant, Ref. 220 Cam.SE., enclosing quit claim deed from Mr. T.C.Gorrell to the Canadian Northern Western Railway Company covering 5.39 acres in the S.W.¼ of section 12, township 38, range 12, West 4th meridian required by the Company for its right of way, and also two blue prints in connection therewith. forward extracts therefrom, along with transfers of the right of way executed by the entrants for several quarter sections. The Solicitors were advised on different ocassions that the Department required the plan of the line as constructed and not extracts therefrom.

The Canadian Northwrn Western Railway and the Canadian Pacific Railway run parallel through the quarter section in question and several adjoining. As a result of the settlement of the dispute over the lands affected, both Companies agreed to have a final plan prepared, showing both lines, and the Department has been advised by the C.P. Ry. Co. that the matter of preparing a plan suitable to both Companies, the Registrar and this Department, was receiving attention, and until such time as this plan is received, no action can be taken towards patenting or reserving in patents the right of way of either Company.

In view of the long delay in furnishing the required plan and as Mr. Gorrell's patent has been held up since July 1915, pending the completion of the matter on the part of the Railway Companies, I would recommend that such patent be issued without reservation for the right of way.

I would further point out that the transfer above referred to and the plan which accompanied it were forwarded here as a result of a letter written by the Department, on the 28th February 1916, giving the Company 30 days within which to file the proper plan.

Re S.W. 12-38-12 W. 4th M.

The Department has received from the Canadian Northern Railway Company, a transfer from the entrant of the above quarter section, covering the land taken for the right of way of the Canadian North-Western Railway, shown coloured pink on the plan beneath. This plan is a copy of the plan quoted in the transfer which was signed by J.L. Doupe, D.L.S. The plan signed by Mr. Doupe however, is not what is required by the Department.

From the information given on this plan, it appears that the plan registered in the North Alberta Land Titles office as number 7238, A.N. is the one on which Mr. Doupe's plan is based, as far as this plan affects the right of way of the Canadian Northern Western Railway. Under date of the 20th June 1912, Messrs. Short Woods, Biggar and Collisson advised this Department that plan number 7238 A.N. was not, strictly speaking, the "as constructed" plan required under the Provincial Railway Act. That plan, therefore, was not what this Department required for the purposes of the issue of the patent. Although repeatedly requested to do so, the Company failed to file here a copy of plan 7238 A.N., but continued to

Gentlemen,

Re S.W. 12-Tp.38-12-W.4th. (Your file 220 Can S.R)

I beg to refer you to your letter of the 13th March last, enclosing a Quit Claim Deed from T. C. Gorrell to the Canadian Northern Western Railway Company, covering 5.39 acres taken for right of way in the above quarter section, and to the Departmental reply thereto of the 17th idem., and to advise you that the plan quoted in the transfer is not sufficient for the purposes of the issue of patent.

This plan, as far as the Canadian Northern Western Railway is concerned, appears to be based on the plan registered in the Land Titles Office as number 7238 A.N., and as that plan is not the "as constructed" plan required under the Provincial Railway Act, it is not sufficient for the purposes of this Department. It is understood that your Company and the Canadian Pacific Railway Company, as a result of the settlement of the dispute over the lands affected, have undertaken the preparation of a final plan, which will be suitable to the Registrar, to both Companies and to this Department.

As the homesteader has been urgently pressing for th issue of his patent, and as he has experienced considerable delay with regard to the same, I beg to request that you will be good enough to advise this Department at as early a date as possible what progress has been made in the matter of preparing the proper plan.

Sir, Re S.W. 12-Tr.38-R.12-W.4th

I beg to advise you that the Department has been in correspondence with your Mr. Taylor at Montreal, respecting the right of way of the Canadian Pacific Railway across the above quarter section. In July, 1915, Mr. Taylor was requested to file here the final plan of the right of way, as it was desired to issue a patent for the quarter section in the name of Mr. T. C. Gorrell reserving thereout the right of way of the Canadian Pacific Railway. The plan asked for has not yet been received.

Since that time however, on examining the books with respect to this quarter section, it appears that the Departmental letter of the 21st July, 1915 was written under a misapprehension, owing to a wrong name having been inserted in the space reserved for the above quarter section, and the Company is not entitled to a free grant of the right of way except in case of the cancellation of Mr. Gorrell's entry. This latter fact is plainly evident as Mr. Gorrell made entry for the land on the 21st September, 1910, and the Company did not file the plan of the right of way until September, 1912. The Department regrets the oversight in the matter, and it is hoped the Company has been put to no inconvenience thereby.

In any event, it is understood that your Compar

and the Canadian Northern Railway Company, as the result of the settlement of the dispute between the two Companies, relative to the right of way through the quarter section in question and several adjoining, have decided to have prepared a plan showing both lines of Railway.

The Canadian Northern Western Railway Company has filed a transfer from Mr. Gorrell covering the right of way of their Railway, but the plan quoted therein, signed by your Mr. Doupe, is not sufficient for the purposes of the issue of patent or for the purposes of reserving the right of way in a patent, as it is doubtful if the Registrar would accept a patent for registration based on that plan, since it has not been registered in the Land Titles Office.

The Solicitors of the Canadian Northern Railway Company are being asked to advise the Department what progress has been made with the preparation of the required plan, which should be registered in the Land Titles Office, and I would be glad to receive definite information from your office respecting such plan, at your earliest convenience.

Sir:

Re S.W. 12-36-12 west 4th.

We had some correspondence with you in December 1916 in connection with this matter. At that time we were assured that obstruction of certain lands for [illegible] only, but finally it would be withdrawn from the entirety.

The above matter is now effected by the Joint Section C.P.R. and C.N.R. as shown on plan of record in the Land Titles Office at Edmonton as No. 6[illegible]9-AA, which plan received the approval of the Surveyor General on the 17th August, 1916. A copy of the plan was deposited with your department.

In view of the Joint Section Agreement, we are writing on behalf of the Canadian National as well as always, the Right of Way Agent of which company advises that patents have never been received from the Department of the Interior for the right of way of the Purchase Southern branch of the Canadian Northern Western Railway for the [illegible] quarter section, containing 9.39 acres. Will you please advise us if this is so, or if patent really issued.

We have been unable to find a letter from you on our file giving your reference number, but we think that your file 68.334 SL will probably throw some light on the matter.

Gentlemen, Re S.W. 12-Tp.38-12-W.4th (Your file 220 Cam S.E.)

I beg to refer you to your letter of the 13th March last, enclosing a Quit Claim Deed from T. C. Gorrell to the Canadian Northern Western Railway Company, covering 5.39 acres taken for right of way in the above quarter section, and to the Departmental reply thereto of the 17th idem, and to advise you that the plan quoted in the transfer is not sufficient for the purposes of the issue of patent.

This plan, as far as the Canadian Northern Western Railway is concerned, appears to be based on the plan registered in the Land Titles Office as number 7238 A.N., and as that plan is not the "as constructed" plan required under the Provincial Railway Act, it is not sufficient for the purposes of this Department. It is understood that your Company and the Canadian Pacific Railway Company, as a result of the settlement of the dispute over the lands affected, have undertaken the preparation of a final plan, which will be suitable to the Registrar, to both Companies and to this Department.

As the homesteader has been urgently pressing for the issue of his patent, and as he has experienced considerable delay with regard to the same, I beg to request that you will be good enough to advise this Department at as early a date as possible what progress has been made in the matter of preparing the proper plan.

that the liens charged against the S. ½, 31-2-26-W. 4th M., for advances made to Cornelius De Yong, by the Municipal Council of Brant No. 69, be discharged.

The Board submits in support of this recommendation:

1. That at the time the advances were made the owner was the registered owner of said land, and that the interest of said land was subject to a mortgage in favor of the Canadian Bank of Commerce, which had priority to the liens.

2. That the Montreal forecloses upon their security and became registered owners of said land, and that by such foreclosure all liens were eliminated therefrom.

3. That the owner left the District several years ago, and all trace of him has been lost, so there is no possibility of another way collection under his personal covenant.

The Board therefore recommends that all liens charged against the said lands be cancelled, discharged, and the total amount paid by them be written off as uncollectible.

The Board also recommends that the Municipal District of Brant No. 69, be discharged from any further liability in the premises or affair, be entered into with the said City, and that the total amount payable by them be written off as uncollectible, as the financial affairs of the District are such it is not possible for the said Municipality to meet further payments of principal thereof.

E. J. Fream, Esq.,
Chairman,
Seed Grain & Relief Adjustment Board,
Edmonton, Alberta.

Dear Sir:

Re - Cornelius De Yong, E½ 31-9-24-W4.
Seed Grain and Relief,
M.D. of Bright, No. 69.

Hereunder is a statement of this man's indebtedness to the Municipal District for seed grain and relief, with interest calculated to December 31, 1929, at 7%.

Seed Grain

Mar. 16/20	Principal	$656.80	2136 C.Z.	E½ 31-9-24-4
Dec. 31/29	Interest	450.46		
		$1107.26		

Relief

Jan. 29/20	Principal	300.25	612 C.Z.	E½ 31-10-24-4
Jan. 25/22	"	27.96		
Mar. 1/22	"	82.75		
		410.96		
Dec. 31/29	Interest	269.47		
		$680.43		

As security for these advances a lien was registered against title to the E½ 31-9-24-W4 covering the amount of $656.80 for seed grain.

Another lien covering the amount of $300.25 for relief was made out and registered in error against title to the E½ 31-10-24-4 instead of the E½ 31-9-24-4 and was later removed. There are no land liens covering the relief advances of $27.96 and $82.75.

De Yong however was not the registered owner and the E½ 31-9-24-4 was encumbered with a prior mortgage registered by the Canadian Bank of Commerce for $5580.00 March 5, 1917. The Bank eventually foreclosed and took title by Vesting Order thereby clearing the lien of the Municipal District.

E. J. Fream, Esq.,

The debtor left the district several years ago for an unknown destination, and has not been heard of since. His personal covenant is of no value, and the Municipal District has listed the account as uncollectable.

I, therefore, recommend that the undermentioned unpaid balance of this account be written off in as far as it affects De Yong's indebtedness to the Municipal District, and the indebtedness of the Municipal District to the Province of Alberta.

Seed Grain,	Principal	$656.80

Sir,

Re Henry Sirrell estate.

I have your letter of the 19th instant, File No. 2815, in which you ask if you could be furnished with a photostat copy of the application for entry of the late Henry Sirrell for the South East quarter of Sec. 10, Tp. 14, Rge. 22, West of 4th Meridian.

I may say, in reply, that the Department is prepared on all occasions to facilitate public business but when copies of official documents are sought, a statement as to the circumstances under which the same are required is essential.

Since your letter gives no information as to the object underlying your request, may I ask you to be good enough to state the purpose for which you require the document.

E. J. Fream, Esq.

Alexander Fraser has been registered owner of the S.E.9 since March 23, 1921. He did not consent to the 1922 relief lien. As the Agreement for Sale with the debtor has been cancelled Mr. Fraser could successfully apply for removal of the lien. The security for the account is therefore valueless.

The Secretary-Treasurer of the Municipal District has expressed the opinion that there is no likelihood of collection from the debtor who is renting land in an adjoining district and is barely making a living.

During the past winter I have assisted this debtor in difficulties with some of his creditors and I have formed the opinion that while he is honest he has suffered financially as the result of farming in a very poor district. In my opinion there is no likelihood of his being in a position to pay this account. Suit to collect is statute barred.

I therefore recommend that the account be written off as uncollectable both in so far as it affects Marr's indebtedness to the Municipal District and the indebtedness of the Municipal District to the Province of Alberta.

Yours truly,

Director.

Dear Sir:

Re: Sylvester Marr - Seed Grain and Relief
S.E.9, S.E. 10- 14- 22- W.4th
M.D. of Little Bow #98

Sylvester Marr obtained the undermentioned advances from the Municipal District of Little Bow #98.

Seed Grain -	May 2, 1921	$102.50	
	June 15, 1922	50.00	
Relief -	May 2, 1921	51.25	
	June 1, 1922	218.35	
		$422.10	

On December 5, 1923 he repaid $200.00 on relief account. With interest to December 31, 1932 he owes the undermentioned balance:

Seed Grain -	Principal	$152.50	
	Interest	120.62	
			$273.12
Relief -	Principal	$102.03	
	Interest	64.81	
			166.84
			$439.96

As security for all these advances he signed promissory notes and for the seed grain advances and the 1921 relief advance he also signed lien agreements charging the S.E. 10- 14- 22- W.4th. For the 1922 relief advance he signed a lien agreement charging the S.E. 9- 14- 22- W.4th. He was purchasing these properties under Agreements for Sale.

Henry Sirrell was registered owner of the S.E. 10 and did not consent to the liens. He transferred the property to Charles Gustav Lyckman on September 15, 1923. Mr. Lyckman could successfully apply for removal of the liens as the Agreement for Sale with the debtor has been cancelled.

Re:-Sylvester Marr,
Seed Grain and Relief Indebtedness,
S.E.¼, 9, S.E.¼, 10, in 14-22-W. 4th Mer.,
M.D. of Little Bow No. 98.

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that the liens, Municipal and Joint Relief, charged against the S.E.¼, 9, and the S.E.¼, 10, in 14-22-W. 4th Mer., for advances made to Sylvester Marr, by the Municipal District of Little Bow No. 98, be discharged.

The Board submits the report of the Director, Debt Adjustment Act, dated July 13th, 1932, which report gives full details of all liens registered against the said land, and states in support of the recommendation:-

1. That at the time the advances were made the debtor was interested in said land under Agreements for Sale, but did not have the consent of the Vendors to charge the liens against the said land.

2. That the debtor failed in his farming operations and the Agreements for Sale were cancelled, the land reverting to the Vendors, and that by such cancellation any equity held by the debtor in the said lands was lost.

3. That as the Vendors did not consent to the liens being charged against the said land it is desirable that they be discharged.

4. That the debtor is in financial difficulties and has nothing from which collection could be made under his personal covenant.

The Board therefore recommends that the liens be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

Chairman, Seed Grain & Relief Adjustment Board.

Member, Seed Grain & Relief Adjustment Board.

The Honorable,
The Minister of
the Interior,
Ottawa, Ontario.

The Tax Consolidation Board, hereby recommends that all liens charged against the S.E.¼, 9, and the S.E.¼, 10, in 14-22-W. 4th Mer., for advances made to Sylvester Marr, by the Municipal District of Little Bow No. 98, be discharged.

The Board submits in support of this recommendation:-

1. That at the time the advances were made the debtor was interested in said land under an Agreements for Sale, but did not have the consent of the Vendors to charge the liens against the said land.

2. That the debtor failed in his farming operations and the Agreements for sale were cancelled, the land reverting to the Vendors, and that by such cancellation any equity held by the debtor in the said lands was lost.

3. That as the Vendors did not consent to the liens being charged against the said land it is desirable that they be discharged.

4. That the debtor is in financial difficulties and has nothing from which collection could be made under his personal covenant.

The Board therefore recommends that the liens be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

The Board also recommends that the Municipal District of Little Bow No. 98, be discharged from any further liability to the Province of Alberta, in connection with the said liens, and that the total amount payable thereon be written off as uncollectible, as the financial affairs of the District are such that it is not possible for the said Municipality to make any further payments on account thereof.

ADDRESS REPLY
THE DEPUTY MINISTER OF MUNICIPAL AFFAIRS
EDMONTON ALBERTA

EDMONTON ALBERTA

June 2nd, 1949.

Dear Sir:

Re: John Wesley Fallon
SW 10 - 10 - 16 - 4

Under date of the 1th instant you advised that your records did not show any outstanding Federal advances in the above connection.

A son of the above party has recently purchased lands other than the above, and as the son's name is the same as that of the Father, the Land Titles Office had no alternative but to carry the liens forward onto the title to the son's land.

The solicitor for the son presented the son's birth certificate as proof that the son was born in 1918, and also submitted a copy of the registration of death of the Father who died in 1934. This information was submitted to the Registrar, Land Titles Office, Calgary, and in view of the evidence, the Crown liens given by the Father were removed from the land which was recently purchased by the son.

The liens which were carried forward on the title to the son's land were as follows:-

314	SL	S.D.Lien	John Fallon	to	Crown	241.00 @ 5%	7 July 15
1968	SL	"	"	John W.Fallon	"	"	150.00 @ 5% " Dec. 15
2511	SK	"	"	John W.Fallon	"	"	116.49 @ 5% 11 Dec. 15
5429	SL	"	"	J.W. Fallon	"	"	141.[illegible])
							[illegible] Holder) [illegible] 27 Dec.15
							12[illegible].00 Relief)

As you had no account on your record standing in the name of John Wesley Fallon, it would seem advisable to remove these liens from the records in the Land Titles Office in order to obviate any confusion at some future date.

Our information is that the elder Fallon was at one time the owner of the S.W. 10-10-16-4, but whether or not this is the land on which the liens were originally given is not known.

After you have gone into this matter, and taken the necessary action, your advice would be appreciated in order that our file may be closed.

Yours very truly,

HOF/JR

Dear Sir:-

On looking into the Title to the above land we find that Joseph Prairie Farming Company as Trustees for Settlers of the South-West Quarter S.W.-35-55-25 W 4th Meridian, convey by the above Deed.

The Title cannot be passed in this name, the Company would not be entitled to the land themselves by reason of the terms of the Deed, and cannot convey by the Deed to which we refer.

We suppose, however, that if you will make application for the land entered by the Estate of the late, they will allow you to purchase and on [illegible] you furnish them with evidence that the Deed is about to be issued by the Dominion Government.

Dear Sirs:

Our clients, Mr. F. L. Harris and the Prairie Farming Company, Limited, are the registered owners of the south west quarter of Section 23, Township 53, Range 25, west of the Fourth Meridian, containing by admeasurement, in accordance with the title, a little over 139 acres. Part of this quarter was at one time covered by a lake, but our clients inform us that the lake has now been dried up and the lake bottom is quite available for cultivation.

On behalf of our clients, therefore, we hereby apply to your Department for the privilege of purchasing that part of the lake bottom included in the above quarter section. We do not know what your regulations are in connection with a purchase of this sort, or what the proper course to pursue is, but we are informed by the Land Office in Edmonton that the matter must be taken up direct with your Department at Ottawa.

We would appreciate hearing from you in the

Sir,

In July, 1923, Mr. F. [illegible] Harris and the Prairie Farming Company, were permitted to purchase the dried-up area in the south west quarter of section 23, township 53, range 25, west of the 4th meridian, containing 27.50 acres at the rate of $[illegible].0 an acre, subject to their proving ownership of the patented land in the quarter section. This land was valued at $[illegible].00 an acre by Inspector Hagen in March, 1923.

The Department is now in receipt of representations to the effect that the whole of the quarter section in question could not be sold for more than $25 or $30 an acre and that the price asked by the Department is out of all proportion to the value of the land. Request is made that some value be placed on the lake bottom in proportion to its real value.

In the circumstances, I beg to request you to be good enough to take up the question of the valuation of the dried-up area in this quarter section and furnish the Department with a report in the matter.

In view of the proximity of this land to the City of Edmonton you will no doubt find it possible to report in this case at an early date.

Re SW¼, [illegible], West 4th Meridian, containing [illegible] acres, lake bottom.

In reference to yours of the 3rd instant, file No. 13[illegible]31, asking me to make a valuation made of the above lake bottom, I beg to say that I visited the land in question yesterday, and went over same very carefully, and am of the opinion that a fair valuation would be $25.00 per acre.

I consider that before the land could be used it would have to be drained, and this would cost considerable. The soil is alkaline, and quite soft under foot. I would therefore, recommend that the Prairie Farming Company, Limited, be permitted to purchase the area at $25.00 per acre.

Major Emslie states that he would like to purchase in connection with his homestead, that portion of the S.W.¼ of Section 26, Township 57, Range 3, West of the 5th Meridian, not included in the Hudson's Bay Company's reserve, and points out that by the fencing the whole of his homestead, and that owing to the fact that the land applied for would not, in all probability, be homesteaded, he would get no assistance in building his South fence.

The land applied for, which is shown hatched in red on the Township Plan annexed hereto, is vacant in the records of the Department, and contains twenty-three acres.

Major Emslie's homestead, for which he obtained entry on the 5th July, 1907, is shown hatched in blue on the Plan.
